

## Mentored MD, PhD and MD/PhD Trainees

### Past

- 1994 - 1995 Michelle Baum, MD. Current Position: Assistant Professor of Pediatrics, Harvard Medical School  
*Career Stage:* Pediatric Nephrology Fellow. *Mentoring Role:* Research Advisor. *Accomplishments:* Multiple authored scholarship of mentored research
- 1995 - 1997 Ross Reul, MD. Current Position: Assistant Program Director, Thoracic Surgery Residency Program, Texas Heart Institute, Houston, Texas.  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 1995 - 1998 Stephen I Alexander, MD. Current Position: Chief, Pediatric Nephrology, Westmead Children's Hospital, Sydney, Australia  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 1996 - 1998 Vikas Dharnidharka, MD. Current Position: Chief, Pediatric Nephrology and Associate Professor of Pediatrics, Washington University at St Louis, St Louis Children's Hospital, St Louis, MO  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the AST (1998), Young Investigator Award from the NAPRTCS (1998), R01-funded Investigator
- 1996 - 1999 Mark Denton, MD. Current Position: Consultant Nephrologist, Beaumont Hospital, Dublin, Ireland  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, NIH K08 grant, Young Investigator Award from the AST (1998, 1999)
- 1998 - 2000 Andrea Exeni, MD. Current Position: Staff Pediatrician, Children's Hospital, Buenos Aires, Argentina  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 1998 - 2000 Michael Melter, MD. Current Position: Chair of Pediatrics, University of Regensburg, Regensburg, Germany  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the AST (1998)
- 1998 - 2000 Peter Shaw, MD. Deceased.  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Faculty at the University of Arizona, Phoenix.
- 1999- 2001 Markus Frank, MD. *Current Position:* Associate Professor of Pediatrics, Harvard Medical School  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Research career development, Young Investigator Award from the AST (2000), International Pediatric Transplant

- Association Award (IPTA) (2001), Past Co-Mentored K Award Faculty, elected member of the American Society of Clinical Investigation, R01-funded Investigator
- 1999 - 2002 Dmitry Samsonov, MD. Current Position: Chief, Pediatric Nephrology and Assistant Professor of Pediatrics, Maria Fareri Children's Hospital, Valhalla, New York  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, American Society of Transplantation (AST) Basic Research Fellowship Grant, Young Investigator Award from the AST (2001)
- 1999 - 2002 Masayuki Sho, MD/PhD. Current Position: Staff Surgeon, Nara University, Nara, Japan  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the ATC (2001, 2002), International Young Investigator Award from the ATC (2003, 2004, 2005)
- 2000 - 2002 Marlies Reinders, MD. PhD. Current Position: Professor, University of Leiden, Leiden Holland; Staff Nephrologist, Leiden Univ. Medical Center, Leiden, Holland.  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, International Pediatric Transplant Association Award, Young Investigator Award from the ATC, PhD Thesis Defense/2004. Currently: EU-multicenter clinical trial funded Investigator
- 2000 - 2002 Ingrid Vos, PhD. Current Position: Staff Scientist, Utrecht Veterinary College, Utrecht, The Netherlands  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2000 - 2003 Peter Lapchak, PhD. Current Position: Instructor in Medicine, Harvard University, Beth Israel Deaconess Medical Center, Boston, MA  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, National Kidney Foundation Fellowship Grant (2002-2003)
- 2002 - 2004 Stefan Kiessling, MD. Current Position: Chief, Pediatric Nephrology and Associate Professor of Pediatrics, University of Kentucky  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2002 - 2005 Jesse Flaxenburg, MD. Current Position: Consultant Nephrologist, Colorado Springs, CO  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, NIH F32 NRSA Grant (2003-2005), NHLBI Loan Repayment Grant (2003-2004)
- 2002 - 2005 Stuart Robertson, MD. Current Position: Consultant in Renal Medicine, University of Cardiff, Wales  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.

- Accomplishments:* Multiple authored scholarship of mentored research. National Kidney Foundation Pediatric Renal Research Fellowship Grant (2003-2004)
- 2002 - 2006 Gwen Boulday, PhD. Current Position: Research Scientist, INSERM, University of Paris, France  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the AST (2003, 2004), Foundation grants from the EU/France. INSERM.
- 2003 - 2005 Zdenka Haskova, MD.PhD. Current Position: Associate Medical Director, Genentech, San Francisco, CA  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the AST (2005)
- 2003 - 2006 Sreevinas Laxmanan, PhD. Current Position: Staff Scientist, Biogen IDEC, Cambridge, MA  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2003 - 2007 Olivier Dormond, MD.PhD. Current Position: Staff, Internal Medicine/Nephrology, University of Lausanne, Switzerland  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Swiss Foundation for Grants in Medicine and Biology Fellowship Grant (2006-2008), Young Investigator Award from the WTC (2006)
- 2003 - 2010 Dipak Datta, PhD. Current Position: Research Scientist, Drug Target Discovery and Development Division, Central Drug Research Institute (CDRI-CSIR), Lucknow, India  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the ATC (2007, 2010)
- 2005 - 2009 Aninda Basu, PhD. Current Position: Research Assistant Professor, University of Illinois, Chicago  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2006 - 2008 Monika Edelbauer, MD. Current Position: Pediatric Nephrology, University Hospital, Innsbruck, Austria  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Austrian Science Fund Travel Fellowship Grant (2006-2008)
- 2006 - 2008 Andre Hoerning, MD. Current Position: Faculty, Pediatric Nephrology, Children's Hospital, Essen, Germany  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Deutsche Forschungsgemeinschaft (DFG) Fellowship Grant (2007-2009)
- 2006 - 2010 Xiao Wu, PhD. Current Position: Pursuing Pathology residency, University of Massachusetts, Worcester

- 2007 - 2009 *Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research  
Michael Seifert, MD. Current Position: Associate Professor, University of  
Alabama at Birmingham
- 2008 - 2010 *Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research,  
NIH K12 grant, NIH K23 Career Development grant, Loan Repayment  
Grant (2012-2015)
- 2008 - 2010 Maria Stack, MD. Current Position: Attending in Pediatric Nephrology,  
Children's Hospital, Temple St, Dublin, Ireland  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research,  
PhD Thesis/Defended 2015.
- 2008 - 2010 Tatsuichiro Seto, MD/PhD. Current Position: Staff Cardiothoracic  
Surgeon, Shinshu University, Shinshu, Japan  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2009 - 2010 Papia Banerjee, PhD. Current Position: Research Scientist, Dana-Farber  
Cancer Institute  
*Career Stage:* Research Associate *Mentoring Role:* Mentor.  
*Accomplishments:* Career Development training/ Authored scholarship
- 2009 - 2013 Sarah Bruneau, PhD. Current Position: Postdoctoral Scientist, INSERM,  
Nantes, France  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research,  
Foundation Bettencour-Schueller Post Doctoral Fellowship Award  
(2010), American Society of Transplantation Fellowship Grant Award  
(2010-2012), Young Investigator Award from IPTA (2013), Scientist Level  
Grants from the EU/France
- 2010 - 2012 Kevin Daly, MD. Current Position: Assistant Professor in Pediatrics,  
Harvard Medical School  
*Career Stage:* Fellow. *Mentoring Role:* Research  
Advisor *Accomplishments:* Multiple authored scholarship of mentored  
research. Grants and Awards: Co-PI, Harvard Catalyst Grant, Young  
Investigator Award from the ATC (2011), NIH Loan Repayment Grant  
(2011-2015)
- 2010 - 2013 Craig Woda, MD.PhD. Current Position: Assistant in Medicine, Boston  
Children's Hospital  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2010 - 2017 Leo Boneschansker, MD.PhD. Current Position: Resident in Medicine,  
Massachusetts General Hospital  
*Career Stage:* Graduate Student. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research,  
NIH T32 appointee (2014-2016). PhD Thesis Defense 2017
- 2011 - 2013 Namrata Jain, MD. Current Position: Assistant Professor, Columbia

- University  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2011 - 2015 Nora Kochupurakkal, PhD. Current Position: Scientist, Amgen  
*Career Stage:* Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research, Young Investigator Award from the ATC (2014)
- 2012 - 2015 Hiro Nakayama, PhD. Current Position: Faculty/Scientist, Ehime University  
*Career Stage:* Fellow. *Mentoring Role:* Co-Mentor/Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research
- 2013 - 2014 Gulcin Demirci, MD.PhD. Current Position: Medical Director, Sanofi Genzyme  
*Career Stage:* Research Associate. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Authored scholarship, Grant Award (Faculty Development Grant, Boston Children's)
- 2017 - 2018 Sylvain Pagie, PhD. Current Position: Medical Student Training Scheme, University of Nantes, France  
*Career Stage:* Research Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Authored scholarship
- 2017 - 2018 Timna Agur, MD. Current Position: Junior Faculty, Division of Nephrology and Hypertension, Rabin Medical Center, Belinson, Israel.  
*Career Stage:* Research Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Authored scholarship
- 2014 – 2018 Johannes Wedel, MD/PhD. Research Associate, Boston Childrens Hospital; Instructor in Pediatrics, Harvard Medical School  
*Career Stage:* Research Fellow. *Mentoring Role:* Research Advisor.  
*Accomplishments:* Multiple authored scholarship of mentored research. Grants and Awards: DFG grant, Young Investigator Award from the ATC (2016), Young Investigator Awards from the Transplantation Society (2016), American Association of Immunologists Meeting Travel Award (2017), Young Investigator Award from the ATC (2018), American Association of Immunologists Meeting Travel Award (2018).
